About Me

I am a skilled Full Stack Developer with 4 years of experience in developing and maintaining web applications. My expertise lies in using cutting-edge technologies such as Laravel to create robust and scalable applications. In addition to my professional experience, I am also a perfectionist who strives to deliver high-quality work that meets the highest standards.

- brainster.co
- next.edu.mk
- brainster.al
- platform.next.edu.mk

DD Code | Co-Founder & Chief Technology Officer

Feb 2022 - Present

Personal projects

ddcode.co

With DD Code, we are consistently bringing ideas into reality, the focus of DD is building outstanding complex websites and systems while being simple to the end user. We started this almost for free, out of curiosity and excitement to build the client's vision.

mariocoach.mk

An online system solution to fill your needs for a personal trainer. Includes Progress tracking, specialized weekly meal plan and training program.

devristo.nl / devristo.mk

Devristo brings remote developers closer. Marketing Page.

just-access.de

German non-profit organization for human rights

leadifyit.com

System for creating custom forms while maintaining brand identity. Consist of marketing page, admin page app.leadifyit.com and public form page forms.leadifyit.com.
